

**The Greensboro Ice House Basic Skills Program
will host a day of skating and fun as part of**

on
Saturday, February 13
1:30-4:00pm

**Gather family and friends and join us at your neighborhood ice rink for
FREE group lessons (new customers only please), games, prizes and
giveaways along with skating exhibitions by up and coming in-house talent!**

We are very excited to be participating in US Figure Skating's National Skating Month! To show our enthusiasm, we will be offering FREE group lessons to help promote figure skating and our Learn to Skate Basic Skills' program.

The goal of National Skating month is to increase recognition for our sport together with raising awareness that your neighborhood ice rink, The Greensboro Ice House, offers Learn to Skate opportunities for skaters of every age and ability in both hockey and figure skating!

Our Snowplow Sam classes are perfect for children 4 to 5 years old. Our core curriculum of Basic 1– 8 classes are for kids 6 to 14 years old and our Adult classes begin at age 15. Our Learn to Skate Hockey classes are great for skaters 6 years old and up who wish to learn hockey skating basics to help prepare them for the game of hockey. We also offer a full range of specialty classes for advancing figure skaters!

Members of our professional coaching staff will be conducting group lessons at center ice. We will be giving away complimentary Learn to Skate semesters along with other great prizes!

Come and get to know your neighborhood ice rink, enjoy complimentary group lessons, check out our snack bar and receive information and discounts for upcoming class opportunities!
