

# Learn to Skate Early Registration

To thank our valued Learn to Skate USA customers, we are pleased to announce a special holiday offering:

Enroll by Monday, December 10th for our January 2019 Learn to Skate USA semester and receive your class card, with unlimited FREE public session admissions (skate rental not included) by the time Guilford County schools are on break!

This special promotion is good through December 10th ONLY. Class cards will be available for pick-up and use at the front desk on Friday, December 21st.

This promotion is in place to give students a chance to show off their skating to family & friends over the holidays AND will help skaters keep up with skill work over the break!

As an added bonus for skaters enrolled in the fall semester, the fall session class card expiration date will be extended through December 20th.

Thanks again from the Greensboro Ice House:  
Merry Christmas and Happy Holidays!
